Re: Your Public Records Request No.: 413599

Dear Mr. Heims,

Please find attached public records in response to your request dated December 13, 2018. We believe that the attached documents, along with records that were previously provided on January 9, 2019 fully satisfy this request which will now be considered closed.

Although no documents were withheld pursuant to this production, there was information that was redacted which are considered exempt under Section 119.071(1)(d)1. Fla. Stat. which states:

A public record that was prepared by an agency attorney (including an attorney employed or retained by the agency or employed or retained by another public officer or agency to protect or represent the interests of the agency having custody of the record) or prepared at the attorney's express direction, that reflects a mental impression, conclusion, litigation strategy, or legal theory of the attorney or the agency, and that was prepared exclusively for civil or criminal litigation or for adversarial administrative proceedings, or that was prepared in anticipation of imminent civil or criminal litigation or imminent adversarial administrative proceedings, is exempt from [s. 119.07\(1\)](#) and [s. 24\(a\), Art. I of the State Constitution](#) until the conclusion of the litigation or adversarial administrative proceedings. For purposes of capital collateral litigation as set forth in [s. 27.7001](#), the Attorney General's office is entitled to claim this exemption for those public records prepared for direct appeal as well as for all capital collateral litigation after direct appeal until execution of sentence or imposition of a life sentence.

These exemptions are based upon pending litigation, namely *Martin County v. Richard Dibona, et al.*, Case No. 2018CC1965.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Sangeeta Maragh
