Re: Hurricane Irma PW33789 – Jensen Beach Causeway

To whom it may concern:

Please accept this letter as Martin County's request for a time extension for the Jensen Beach Causeway project (PW33789), which as of the date of this letter remains unobligated. Repair of the damages, which are in excess of \$267,000, requires extensive design, planning, and permitting causing a delay in construction beyond the March 10, 2019 deadline. Additionally, we are proposing mitigation elements for the project to increase the causeway's resiliency.

Please contact us, should you require anything further. Thank you for your consideration of this request.

Sincerely,

Don G. Donaldson, P.E.
Deputy County Administrator
