SUBJECT: SR-5 (US-1 / SE Federal Highway) at SE Constitution Boulevard
Request for Traffic Signal

As directed during the Public Hearing for the BTS Retail PUD Final Site Plan (Dollar General) on November 20, 2018, a letter was sent to the Florida Department of Transportation to request a traffic signal be installed on SR-5 (US-1 / SE Federal Highway) at SE Constitution Boulevard. After review of the reported crashes and the applicant's Traffic Impact Analysis, the Florida Department of Transportation's Traffic Services Engineer has determined that a traffic signal at this intersection is not justified at this time. However, the Traffic Services Engineer committed to review the conditions at the intersection after the build-out of the Dollar General store and to take appropriate action if necessary. Staff will ask the Traffic Services Engineer for a formal re-review six months after the opening of the Dollar General store.
