Residents and visitors welcome by air and sea *U.S. Customs & Border Protection Facility now open*

Martin County Board of County Commissioners is pleased to announce the opening of the U.S. Customs and Border Protection Facility at Martin County Airport. Customs officially opened its doors to aircraft and marine vessels today, receiving its first customer by air at 11:55 a.m. this morning. "It's truly exciting," said Sam Carver, Martin County Airport Manager. "This allows Martin County boaters, pilots, residents and visitors to conveniently clear customs without having to travel to Fort Pierce or West Palm Beach," Mr. Carver continued.

The 3,200 sq. foot facility is operated by U.S. Customs and Border Protection with regular operating hours Thursday through Monday, 11 a.m. – 7 p.m. Customers may contact Customs at 772-210-0420 during regular operating hours and after hours at 772-210-0797. Procedures for pilots and boaters as well as user fees can be found at <https://www.martin.fl.us/Customs>.

Funding for the project was provided through an 80/20 grant partnership with the Florida Department of Transportation Aviation (Multimodal) Division and the Airport Enterprise Fund.
