Meet your neighborhood firefighters at Station 23

Martin County Fire Rescue is hosting an open house at Station 23, located at 4181 Kanner Highway in Stuart. Firefighters and staff will be onsite to offer fun, educational and family-oriented activities, allowing residents to learn about fire safety and prevention. The open houses also give families and businesses the chance to meet their local firefighters and tour the station that serves their homes and properties. Children of all ages are invited to hang out with firefighters, explore a fire engine and spray the hose. Blood pressure checks will also be offered.

Residents are encouraged to visit www.martin.fl.us/firerescue and follow us on social media to stay current on happenings. Follow Martin County Fire Rescue on Facebook at www.facebook.com/MartinCountyFireRescue, Twitter @MartinCountygov and Instagram @martincountyflorida.
