## ‘Libraries Rock’ this summer with reading program kicking off May 25

Martin County, FL – Beginning Friday, May 25, readers of all ages will be equipped to prevent the dreaded summer slide as Martin County Library System presents the Libraries Rock™ Summer Reading Program. Children aged newborn through fifth grade will be eligible to earn free book prizes and an invitation to a finale party. Teens can submit book reviews to earn volunteer hours and a chance to win a \$50 Amazon gift card. New for this year, readers no longer need to worry about cumbersome paper tracking logs, as they will be able to conveniently track their progress online by registering for free at <https://mcls.beanstack.org> or downloading the mobile-friendly Beanstack Tracker app for Android and/or iOS.
