2401 SE Monterey Road, Stuart, Florida 34996

This document may be reproduced upon request in an alternative format by contacting the County ADA Coordinator (772) 320-3131, the County Administration Office (772) 288-5400, Florida Relay 711, or by completing our accessibility feedback form at www.martin.fl.us/accessibility-feedback.

For immediate release: Dec. 21, 2018

Contact: Martin County Utilities at (772) 221-1434, the City of Stuart at (772) 288-5317 or (772) 288-5318 or South Martin Regional Utility (SMRU) at (772) 546-2511

Semi-Annual Free Chlorine Maintenance

Martin County Utilities, the City of Stuart and South Martin Regional Utility (SMRU) will temporarily change the method of chlorinating potable water to insure its future safety. Utility water users may notice an unusual chlorine taste or odor in their tap water between January 6 and January 19, 2019.

These temporary conditions will not be harmful to your health; however, if you are on kidney dialysis, you should consult your physician for special instructions concerning this matter. If you have tropical fish or aquatic animals, you should contact your local tropical fish store for advice and take appropriate action to insure that you have properly treated the water before adding it to your aquarium.

Hydrant flushing during this period may cause the water to become cloudy and discolored. This is a temporary condition that should not last more than a few hours.

We apologize for any inconvenience you may experience during this time. Please keep in mind that this is necessary to provide safe water for our customers.

For more information, please contact Martin County Utilities Customer Service at (772) 221-1434, the City of Stuart Customer Service at (772) 288-5317 or (772) 288-5318, or South Martin Regional Utility (SMRU) Customer Service at (772) 546-2511.
